## PROJECTS

---

- ❖ **Gym Website** : Using HTML,CSS,JavaScript,React Js  
I created a gym website to provide fitness enthusiasts with access to top-notch equipment and facilities. It promotes a healthier lifestyle through convenient, professional guidance.
- ❖ **Learning Platform Website** :Using HTML,CSS,Bootstrap  
A learning platform website is an online hub that offers educational courses and training resources. It features video lectures, interactive assignments, and discussion forums, allowing users to learn at their own pace. The platform often includes tools for progress tracking and certification.
- ❖ **Tour & Travels**: Using HTML,CSS, JavaScript,Bootstrap,JQuery  
Our Tour & Travels website specializes in creating personalized travel experiences that cater to your unique interests. We handle every detail, ensuring a seamless and stress-free journey from start to finish.

## ACHIEVEMENTS

---

I got 1<sup>st</sup> Position in Agile Activity and my role was scrum master.
